

TABLEUP™ HEIGHT ADJUSTABLE BASE

ELECTRIC HEIGHT ADJUSTABLE

TableUP™ our US made height adjustable table bases deliver quality, flexibility, and function at an affordable cost. Built to exceed industry standards and configured to meet your budget, TableUP bases are the foundation for a healthy and ergonomic workspace. Designed to fit any office layout, electric height adjustable TableUP workstations paired with your personalized work surface allow for convenient and quite movement to accommodate a productive and comfortable workstyle. Available in two height adjustment ranges, two-leg or three- leg desk configurations with powerful motors in each leg, TableUP bases meet high BIFMA X5.5 standards while remaining cost effective.

- 2-Stage (2U) height adjustment range – 28.5" to 47.25"
