

CUBICLE EXTENDER PANELS

Add visual and sound privacy to your existing cubicles with Merge Works Stackers™. Cubicle extender panels are a cost-effective solution to add height to existing cubicle walls. Available in multiple sizes and colors, frosted acrylic Stackers merge seamlessly with your current cubicle system. With mounting options for flat or curved cubicle surfaces and an easy installation, Stackers are perfect for maximizing privacy in your workspace.

- Frosted Acrylic and Colored Frosted Acrylic .25" thick with smooth edges
- EchoScape™, sound absorbing material, either 3/4" or 3/8" thick with smooth edges
- Multiple panel sizes available to match your cubicles dimensions
- Configurable and durable mounting hardware
- For installation on a flat cubicle trim surface use either our Tower Mount with a silver metallic finish or our Square Mount with a brushed nickel finish
- For installation on a curved cubical trim surface use the Square Mount
